

California OES

Weekly Weather Threat Briefing

5 October 2016
1:30 PM PST

**Day 1: Elevated Fire Danger across southern CA
due to gusty winds and dry conditions.**

National Weather Service
*Western Region Headquarters
Regional Operations Center
Salt Lake City, UT*

Prepared by: Leslie Waite
801-524-7907

Key Points

10/6 – 10/12

Thursday-Saturday

- Santa Ana winds are kicking in across southern CA Thursday and continuing through Saturday.
 - Elevated fire weather concerns are expected due to strong gusty wind and low relative humidity.
- Elsewhere, no significant water or weather impacts expected across the state.

Sunday-Wednesday

- No significant weather or water hazards expected
